

## Maxwell Land Trust Completed Project Summary

Below is a summary of the projects that Maxwell Land Trust and CPC have supported and brought to Town Meetings over the past 12 years since 2003. We are so thankful to the citizens of Scituate who have always unanimously approved open space acquisitions at Town Meeting.

### Maxwell Project List

	<u>Acres</u>
Money	70.6
Litchfield	40
Hennessy	32
Wheelwright	48
Crosbie	48
Hubbell	16.4
Higgins-MacAllister	31
Cowings Cove	11
Damon	37.7
Total	334.7

Total acres facilitated by Maxwell for protection since 1998 = 334.7 acres

Note:

The town had approximately 95 acres under conservation in the Bates Lane area when Maxwell started. Maxwell projects added 318 acres and 3 other open space projects (Appleton, Wolfe-Jackman, and Bjorklund) added another 25 acres. This means that approximately **438 acres** are now preserved in the Bates Lane and Clapp Road Conservation area.
