

## This Land Is Your Land – Join the Maxwell Conservation Trust!

We are entrusted with an extraordinary natural heritage. Saltwater shorelines, forests, farms, and wildlife habitat are all part of a legacy that only we can preserve for future generations. The desire to share this heritage with our children and grandchildren unites all who treasure our beautiful area.

By becoming a member of the Maxwell Conservation Trust you will help support our commitment to protect our open space and forest, protect our water quality and supply, preserve the rural flavor of our town through responsible planning, and increase our recreation opportunities with our natural resources.

The benefits are many – newsletters, regular updates, invitations to membership events – but most importantly, as a member you will receive the satisfaction of helping to protect our beautiful and vital South Shore landscape forever. Businesses and corporations that support the Maxwell Conservation Trust receive public thanks that can translate into valuable publicity.

The Trust is a non-profit 501(c)(3), and donations, memberships and gifts are tax deductible. Our members have made many types of gifts including appreciated securities, donations of land, and gifts that provide life income for the donor. These generous donations both support our conservation programs and provide significant tax advantages to donors.

**With Your Support We Can Do More!**  
*Our next project needs YOU!*
